**THIS IS A SCAM!**

A CONTRACTOR IN YOUR AREA WILL BE HELPING HOMEOWNERS WITH PROJECT No. NYW-132 THOUGH Dec 9, 2023

Property owners in your area may qualify for programs which help homeowners with needed home improvements. National Residential Improvement Association (NRIA) is a free resource that provides homeowners with information about these programs which may help pay for the improvements your home needs.

Homeowners may qualify for one or more of the following programs:

Streamlined 203(k) Limited Repair Program • 203(k) Rehab Program  
Unsecured Programs • No Equity Required Programs • No Out of Pocket Fee Program  
3 and 6 Month Deferral Programs • 12 Month No Payment / No Interest Programs

Other potentially helpful programs may also be available based on your specific needs, income and/or location. Programs subject to change. Important additional information on reverse. Visit [www.nria.org](http://www.nria.org) for free information or call your local contractor for additional help.

To learn more, call toll free (855)457-3093 to speak with a local contractor familiar with these programs and their eligibility requirements, visit [www.nria.org](http://www.nria.org) or complete the attached questionnaire and return for free assistance.
