

Amherst Community Diversity Commission

Community Outreach

On September 7, 2018, Daemen College held their Founders Day Community Outreach Event and Multicultural Community Fair. The goal for the event was to provide Daemen's students with the opportunity to connect with many of the great organizations in our community.

The Amherst Community Diversity Commission, represented by Councilmember Debbie Bruch Bucki (shown below), participated and provided flyers describing the Commission's mission. The Diversity Commission introduced itself to the Daemen Community, in order to promote awareness and recruit individuals for future participation with our group.

Amherst Community Diversity Commission

Mission Statement

The purpose of this Commission is to enhance and increase cooperation, understanding, and dialogue among residents of diverse cultural, religious, socio-economic and racial backgrounds, and to promote inclusion throughout the town. Some of the responsibilities of the coalition will be to study the demographics of Amherst; promote town-wide events that foster cultural awareness; increase minority participation on governmental boards and committees and in the Town's workplace; and to facilitate meetings designed to promote a better understanding of who Amherst is as a community.
