**20. HISTORICAL AND ARCHITECTURAL IMPORTANCE:**

Still meets Local Landmark Criterion after conversion to apartment housing. IN 2004 St. Mary's of the Angels Motherhouse was redeveloped into a 102-unit, affordable senior housing community. The completed project provides independent seniors with quality housing at affordable (below market) rental rates. It was financed using tax credits and bonds issued through the New York State Housing Finance Agency and historic tax credits. The property was listed on the National Register of Historic Places in 2002.
