

FRIENDSHIP TERRACE-

Leaving a Legacy for Tomorrow

The Amherst Center for Senior Services is proud to host “The Friendship Terrace” which is used frequently in warm weather months for luncheons, concerts, special events, and casual gatherings.

Commemorative bricks are available for dedication and can be engraved according to your individual wishes.

The bricks are \$140 for 16 characters per line including spaces and punctuation. Maximum of 3 lines.

By purchasing a brick on “The Friendship Terrace”, you are helping to enrich the lives of senior citizens in the Town of Amherst and sharing a special memory for generations to come.
