

Our Mission

Senior Outreach Services (SOS) strives to identify and assist persons age 60 and older who wish to maintain independent living in their own homes.

SOS also provides support and information for family members who wish to help seniors stay in their homes.

Who we are

Senior Outreach Services

(SOS) is a government funded program providing assistance to persons age 60 and older. Our **free** services are available to all seniors residing in the **Towns of Amherst, Clarence and Newstead.**

The Senior Outreach staff are trained to identify and coordinate all available community and government services, thus **eliminating much of the red tape** that can cause frustration to seniors and their caregivers.

How we can help

Case management

The Senior Outreach staff will assess the needs of the senior, create a care plan to meet those needs, and provide follow-up monitoring to ensure the needs are being met.

Linkage with community services

i.e. Meals on Wheels, Friendly Visitors, transportation services, housekeeping, etc.

Assistance with applications for government programs

such as food stamps, Medicaid, heating assistance, pharmaceutical insurance, etc.

Information and referral

to available activities, support groups, housing options, vision services, health services, etc. are also available through Senior Outreach Services.
