Amherst VETERANS MEMORIAL
AT AMHERST STATE PARK

This Memorial is in honor of the brave men and women of the United States Army, Marines, Navy, Air Force and Coast Guard

390 Mill Street
Williamsville, New York 14221
The Amherst Veterans Memorial was created in 2009 as a permanent site to honor individuals, both living and deceased, connected to the Town of Amherst who served in our Nation’s military.

Located within the beautiful surroundings of the Amherst State Park, the memorial is designed to be a peaceful and contemplative place. Seating walls provide a place where family, friends and community can observe memorial ceremonies, pay tribute to those who served, or simply enjoy the beautiful setting.

A limestone wall, featuring cast bronze seals of the United States Army, Marine Corps, Navy, Air Force, and Coast Guard, forms the centerpiece of the memorial. Water, symbolic of life, flows from the stone beneath each medallion and collects in a reflecting pool at the base of the wall.
