## 2021 Schedule of Planning Board Meetings

**Note:**

1. Please make an appointment with one of our planners before submittal day for a pre-submission review of your project.
2. **A submittal appointment is required.** When scheduling an appointment, please let the Planning Department know how many petitions you are intending to submit. At least one-half hour per submittal is required. Submittals made with scheduled appointments will be given priority for placement on the agenda.
3. On-time submission does not necessarily guarantee a place on the next month's agenda. You will be notified before the meeting if your project has been placed on the agenda.
