June 1<sup>st</sup>, 2020

The Town of Amherst Food Scrap recycling program has resumed.

Under the direction of NYS and Erie County COVID-19 safety guidelines, the Town of Amherst has reinstated our food scrap recycling program. Material may be brought to the Highway Department 7 days per week, any time between 7am and 4pm, or to the Williamsville Farmers market, starting this Saturday, June 6<sup>th</sup>. Masks are required for residents only when they check in with dispatch, no other contact will occur. Please see our attached flyer for what is, and what is not accepted in our program. We are excited to continue offering food scrap recycling as an option for residents to further reduce, reuse, or recycle. Very soon, the Office of Refuse Control will be rolling out a food scrap container that will be available for residents to use and transport their materials in. Stay tuned for more info!
