The Town agrees not to interfere with the rights of employees to become members of the Bargaining Unit, and there shall be no discrimination, interference restraint or coercion by the Town or any Town representative against any employee because of union activity performed in an official capacity on behalf of the Bargaining Unit.

Section 3. The Bargaining Unit shall have the right to post notices and communications upon the bulletin boards maintained on the premises and facilities of the Town. The material posted shall be restricted to Bargaining Unit business and will not contain salacious or non-bargaining political material. Copies of such material shall be submitted to the Human

Resources Director. No such material shall be posted which is profane, obscene, defamatory of the Town or its representatives or which constitutes election campaign material for or against any person, organization or faction thereof.

Section 4. The representatives of the Bargaining Unit who are designated or elected for the purpose of adjusting grievances or assisting in the administration of this contract shall be permitted a reasonable amount of time free from their regular duties to fulfill these obligations which have as their purpose the maintenance of harmonious and cooperative relations between the Town and the employee and the uninterrupted operation of government. Any request for such leave shall be submitted in writing to the Department Head on the appropriate Bargaining Unit form.

Section 5. A single representative of the Bargaining Unit shall have the right to attend Statewide Conventions and meetings in pursuance of his or her obligations as delegate of the Bargaining Unit herein. The designated representative shall suffer no loss of pay and time shall not be charged to any accruals of the representative.

Section 6. Access to Premises. The employer agrees to permit a duly authorized representative of the Bargaining Unit to enter the premises of the employer for individual discussion of working conditions with employees, upon prior notice to the immediate supervisor, provided said representative does not unduly interfere with the performance of duties assigned to the employee.

Section 7. Employee representatives shall be designated to the Town in writing by CSEA.

Section 8. For the purpose of negotiating renewals or extensions of this collective bargaining agreement, the Town shall permit a maximum of four (4) employees time off from duty, upon reasonable advance notice to the Department Head, for the purpose of attending and participating in the negotiating sessions. The Union shall provide the Town with a list of names of employees participating in negotiations prior to the commencement thereof. In the event the Union demonstrates a fifth member of the bargaining team is required to effectively represent the Union,

the Union shall petition the employer for approval for a fifth member to serve, which approval shall not be unreasonably denied.

Section 9. The Town Shall install three (3) feet x four (4) feet locking bulletin boards, provided by CSEA, at the specific locations as follows:

Court Building
Engineering Department
Harlem Road Community Center (Youth Department)
Highway Department
Plant 16
Police Department
Recreation Department
Senior Center
Town Hall

These bulletin boards shall be for the sole purpose of posting bulletins, notices and material issued by CSEA. No such material shall be posted which is profane or obscene, or defamatory of the Town or its representatives or non-Union political/election material. Locks and keys for the bulletin boards shall be the sole and exclusive responsibility of CSEA.

Section 10. The Town agrees that in the event it establishes a new job classification(s), it shall provide the Bargaining Unit President with a copy of the description(s) and proposed salary level(s).

ARTICLE 12 - GRIEVANCE PROCEDURE

The Town and the Bargaining Unit desire that all members of the Bargaining Unit be treated fairly and equitably. It is intended that this grievance procedure will provide a means of resolving grievances at the lowest level and that nothing in this Article should be interpreted as discouraging a member or his representative from discussing any problem in an informal manner with his immediate supervisor or department head. Such discussion shall not interfere with the right of any member to process grievances through the grievance procedure.

Grievances shall be processed in accordance with the provisions of this Article. The term "grievance" as used herein shall mean a complaint by either party to this contract that there

has been a violation, misapplication, misinterpretation, or inequitable application of this agreement provided, however, that the term "grievance" shall not apply to any matter as to which (a) a method of review is prescribed or provided by law or by any regulation having the force of law: or (b) the Town is not empowered to act.

To encourage the resolution of the grievance at the department level, it shall be the fundamental responsibility of supervisors at all administrative levels to make prompt determination respecting grievances in accordance with these procedures. Both parties shall have the right to present grievances in accordance with these procedures, free from coercion, interference, restraint, discrimination and reprisal by any person or party to this agreement.

A member may be represented at all steps of this grievance procedure by the Bargaining unit or counsel, or both. All grievance meetings shall be mutually agreed upon and scheduled by the parties.

When several members of the Bargaining unit have an identical grievance, the Bargaining unit may select one individual case for processing, with consent of the Town, with the understanding that the decision in such case shall be applied to the other identical cases.

A record of all grievances filed pursuant to these procedures and the disposition made thereof shall be maintained by the Human Resources Department for reference purposes.

The time limit specified herein shall be observed and followed, unless extended in writing by mutual agreement of the parties. These specified time limits shall be strictly observed and construed as conditions precedent to the further processing of any grievance. Failure of the grievant to request review of a determination made at any step of the grievance procedure within the specified time limit shall automatically conclude the grievance process as to such grievance.

Grievances shall be filed within ten (10) working days from the time the grievant became aware of the facts or omissions which gave rise to the grievance, unless for good cause, the grievant is unable to do so. The Steps of the grievance process, specified below, shall be followed and the completion of each step shall be a condition precedent to the institution of the next Step of the grievance process. In the event that a grievance has not been answered within the

timeframes outlined in this Article, the grievance will automatically be considered timely and moved to the next Step of the process. Employees shall have the right to union representation at any or all steps of the grievance process.

STEP 1

The grievant shall present his grievance orally to his immediate supervisor and attempt to adjust the matter.

STEP 2

If the grievance is not satisfactorily adjusted at Step 1, the grievant shall present his grievance in writing, on a form to be provided, to his immediate supervisor within ten (10) working days from the decision at Step 1. The written grievance shall contain a factual statement outlining the acts constituting the grievance, the date, time and place of the occurrence, and the relief requested. The written grievance shall contain a statement of the section of the Collective Bargaining Agreement or the written Rules of the Department which he contends have been violated. The immediate supervisor shall give his answer in writing within ten (10) working days of the receipt thereof. Employees shall have the right to make the Department Head aware of the Step 2 issue at any time during the grievance process.

STEP 3

If the grievance is not satisfactorily settled at Step 2, the Bargaining Unit representative, within five (5) working days, shall forward the grievance to the Bargaining Unit's Grievance Committee. If, upon review of the grievance, the Committee believes the grievance is valid, it will forward a copy of the written grievance and the written answer of the immediate supervisor to the Department Head within five (5) working days of receipt of the grievance by the Grievance Committee. The Department Head shall, within a period of five (5) working days of presentation to him, discuss the matter with the Grievance Committee in an attempt to satisfactorily settle the grievance. Should this discussion fail to produce a satisfactory settlement within five (5)

working days from the date of completion of the discussion, then separate written reports of the dispute shall be made by the Grievance Committee and the Department Head.

The written report made by the Bargaining Unit's Grievance Committee and the Department Head at Step 3 shall be filed within five (5) working days with the Human Resources Director, and at the same time, served on the other party.

The Bargaining Unit's Grievance Committee shall consist of three (3) members selected by the Bargaining Unit. One Committee member shall be permitted to leave his work with no loss of pay after notice to his supervisor for the purpose of adjusting a grievance at Steps 1 and 2, and all three (3) Grievance Committee members shall be permitted to attend the meeting at Step 3 with the Department Head with no loss of pay.

If, upon review of the grievance, the Grievance Committee determines that the grievance is not valid and should not be processed further, they shall, in writing, notify the department head and the Human Resource Director of that determination and the grievance shall be deemed to be terminated.

STEP 4

Should the grievance fail to be resolved, as outlined at Step 3, either of the parties may avail themselves of the services of the Public Employment Relations Board (PERB) to provide a list of five (5) arbitrators. The arbitration proceeding shall be conducted by the arbitrator as soon as possible after his selection. The method of selection of the arbitrator shall be that the party requesting arbitration shall strike one name of the five submitted and the other party shall then strike one name. This procedure shall be repeated until one arbitrator remains. The decision of the arbitrator shall be final and binding on the parties, and the arbitrator shall be requested to issue his decision within thirty (30) days after the hearing is concluded.

The parties shall share the cost of the arbitrator equally.

The arbitrator is prohibited from adding to, subtracting from, or modifying the terms of the Collective Bargaining Agreement or the written Rules and Regulations of the Department.

Each party shall be responsible for compensating its own representatives and witnesses. The grievant and the three Grievance Committee members shall be permitted to attend the arbitration hearing, but shall not be paid by the Town for said attendance, except for one Grievance Committee member who shall be excused from duty with no loss of pay.

If either party desires a verbatim record of the proceeding, it may cause such a record to be made, provided it pays for the record and makes a copy of the record available, without charge, to the other party and the arbitrator.

STEP 5

Should any person be aggrieved by the determination as provided for in this Article, application may be made for judicial review, as provided by law.

ARTICLE 13 - MINIMUM EMPLOYMENT

1. Each employee shall receive compensation based on a minimum time of thirty-five or forty hours per week, according to their regular work schedule.
2. Employees called in for emergency work shall be paid a minimum of four hours' salary.

ARTICLE 14 - NO STRIKE CLAUSE

The CSEA further recognizes the status of the Town employees as "public employees", and the provisions of law applicable thereto which prohibit strikes, the willful absence from one's position, a stoppage of work or the abstinence in whole or in part from the full, faithful, proper performance of the duties of employment for the purpose of inducing, influencing or coercing a change in conditions or compensation, or the rights, privileges and obligation of employment.

The CSEA further recognizes that any public employee who engages in said acts is subject to the penalties provided under State Law.

The CSEA shall not engage in a strike nor cause, instigate, encourage or condone one. In the event a strike or work stoppage occurs, the CSEA shall exert its best efforts to prevent and terminate the same.

ARTICLE 15 – SALARIES

The payment of salaries and the granting of annual salary increments shall be pursuant to the Plan of Class Titles and Salary Ranges as approved by the Town Board of the Town of Amherst.

Whenever employees are required to work in a higher job classification, they shall be paid the rate of pay of the higher job classification for all hours actually worked in the higher classification.

The salaries and wages of employees shall be paid on the same day every two weeks. In the event this day is a holiday, wherever possible, the preceding day shall be the pay day.

ARTICLE 16 - CIVIL SERVICE PROCEDURES

Appointment, promotion, transfer, reinstatement, probation, disciplinary action, retirement and other Civil Service procedures shall be pursuant to the Civil Service Law and the Rules for the Classified Service of the County of Erie as issued by the Personnel Officer and the provisions of the Town Law of the State of New York.

Every appointment to a permanent position from an Open Competitive list, and any appointment to a position in the Non-Competitive or Labor Class shall be for a probationary term of not less than eight (8) weeks or more than twenty-six (26) weeks.

ARTICLE 17 – ATTENDANCE

1. Record of Attendance. Each department shall maintain a daily record of the attendance and punctuality of each employee.

2. Tardiness. Each department shall establish rules regarding penalties for tardiness, but such penalties shall not preclude disciplinary action in cases of tardiness.

3. Lunch Periods. All employees shall have a lunch period of at least one-half hour.

4. Rest Periods. All employees' work schedule shall provide for a fifteen (15) minute rest period during each one-half shift. The rest period shall be scheduled at the middle of each half of the shift, whenever this is feasible. Rest periods shall not be used to begin a work shift late, or end a work shift early.

5. Clean-up Time. Employees shall be granted a fifteen (15) minute personal clean-up period prior to the end of each work shift.

ARTICLE 18 – HOLIDAYS

1. Paid holidays shall be New Year's Day, Martin Luther King, Jr. Day, Washington's Birthday, Good Friday, Easter (if worked), Memorial Day, Independence Day, Labor Day, Columbus Day (effective January 1, 2020), Veteran's Day, Thanksgiving Day, day after Thanksgiving, Christmas Day and any other day as may be approved by the Town Board.

Effective January 1, 2020, all employees shall be granted one Floating Holiday. Such Floating Holiday may be taken on a date of their choice with the Department Head's prior permission. Such substituted holidays may not be used solely for purposes of generating additional overtime compensation for the employee.

2. When a holiday falls on Sunday, the Monday following shall be observed as the holiday, and when such holiday falls on Saturday, the preceding Friday shall be observed as the holiday. Employees who are engaged in a Continuous Service Operation, shall observe Independence Day, Christmas Day and New Years Day on the day they actually fall if it is on either a Saturday or Sunday.

3. If emergency or continuous service requires that an employee work on one of the holidays listed in this Article, and such holiday work is authorized by the Department Head, the employee shall be paid their regular work day compensation, and also either be compensated at

the overtime rate or, with prior Department Head approval, be offered compensatory time off at time and one-half on an approved future date. It shall be the employee's choice to either be paid the overtime rate or accept compensatory time off to be used on a future date. At no point can the employee be forced to accept compensatory time.

4. If a holiday falls during an employee's vacation, the vacation shall be extended an extra day.

ARTICLE 19 – VACATION

1. Vacation Allowance.

(a) Except where other provisions are made by law for annual, weekly, per diem or hourly employees, an employee shall be entitled to an annual vacation with pay not to exceed two weeks after completion of one year of continuous service, not to exceed three weeks after completion of five years of continuous service, not to exceed four weeks after completion of ten years of continuous service, not to exceed five weeks after completion of fifteen years of continuous service, and not to exceed six weeks after completion of twenty-five years of continuous service.

(b) Employees hired after September 10, 2013 shall be entitled to one week of paid vacation after the first year, two weeks after two years, three weeks after seven years, four weeks after twelve years and 5 weeks after twenty years. Effective January 1, 2025, employees hired after September 10, 2013 shall be entitled to an annual vacation with pay not to exceed two weeks after completion of one year of continuous service, not to exceed three weeks after completion of five years of continuous service, not to exceed four weeks after completion of ten years of continuous service, and not to exceed five weeks after completion of fifteen years of continuous service and not to exceed 6 weeks after completion of 25 years of continuous service. In the event that supervision denies a vacation request, a member may appeal the denial directly to the Director of Human Resources. In the event that multiple weeks are denied after appeal, an employee may request a payout of rejected vacation time for up to two weeks of vacation at the end of the year.

(c) As stated above, employees shall be entitled to an annual vacation with pay not to exceed two weeks after completion of one year of continuous service. However, effective January 1, 2020, following sixty days (60) of continuous service during the first year of hire, employees may use up to one week of vacation time prior to reaching one year of continuous service.

(d) Current employees shall be provided with a one-time, one (1) additional vacation day annual adjustment for each year of the Agreement for a total adjustment of five (5) vacation days beginning at mutual ratification in 2019 for the life of this Agreement. This provision shall sunset at the expiration of the Agreement on December 31, 2023.

2. Time of Vacation. Vacation requests shall not be unreasonably denied. Wherever possible, vacations shall be granted at the time requested by the employee. If the nature of the work makes it necessary to limit the number of employees on vacation at the same time, the employee with the greater seniority shall be given his choice of vacation period in the event of any conflict over vacation periods. Vacation periods shall be taken each year.

3. Vacation Pay. Vacation pay will be based on the employees' contractual hours.

4. Vacation not Cumulative. Vacation time shall not be cumulative, and if not taken, expires at the end of the employees annual vacation allotment period: except however, upon providing advance notice to the Department Head at least ninety (90) days prior to receiving their annual vacation allotment, employees may carry over a reasonable amount of previously earned vacation into the following vacation accrual cycle for a period not to exceed ninety (90) days.

5. Reinstatement and Leave of Absence. A leave of absence without pay or resignation followed by reinstatement within one year shall constitute an interruption of service, provided, however, that leave without pay for more than six months, or the period between resignation and reinstatement, shall not be counted in determining the eligibility for annual vacation in any calendar year.

6. Vacation Pay at Retirement. An employee who retires from the service of the Town will receive vacation pay on a pro rata basis for the calendar year in which he retires.

7. Vacation Pay at Resignation. Employees with a minimum of five (5) years of full time service who subsequently resign from service shall receive vacation pay on a pro-rated basis for the calendar year in which they resign.

8. Death. In the case of death of an employee, payment for such vacation period shall be made to his estate.

9. Effective January 1, 2003, employees with earned vacation may elect to receive the cash equivalent of up to five (5) vacation days in lieu of taking such time off. In order to exercise this option, employees must provide written notice to the Department Head and Town Comptroller of their intention to receive such payment no later than August 1st of the year in which the vacation would normally be taken. Payment will be made by February 15th of the following year. The Town reserves the right to allow additional vacation days to be purchased solely at the discretion of the Town.

10. An employee may transfer and accumulate up to 30 weeks of unused vacation time into a special account to be used to pay for health insurance upon retirement. Each accumulated vacation day shall be converted to a dollar amount at the employee's rate at the time of retirement. If the employee does not use or discontinues use of the accumulated vacation time for health insurance benefits, the accumulated amount shall be paid to the employee in equal amounts over a five-year period. Any vacation banked for purposes of being applied toward the future payment for continued health coverage upon retirement is subject to all Federal and State withholding and tax requirements during the calendar year in which it is banked. In the event of the employee's death, payment shall be made to the employee's estate or a beneficiary designated by the employee, in a lump sum.

ARTICLE 20 - SICK LEAVE

1. Application of Sick Leave. Only permanent employees are entitled to sick leave as otherwise provided for in this contract.

2. Reasons for Granting Sick Leave. Sick leave with pay may be granted in accordance with this Article to an employee when incapacitated or unable to perform the duties of his position because of:

(a) Sickness or injury:

(b) Serious illness in the employee's immediate family requiring care and attendance of the employee. Immediate family shall include the parent, spouse, brother, sister, son, daughter, stepchild, grandparent, or other blood relative who is an actual member of the employee's household:

(c) Quarantine regulations:

(d) Medical or dental visits.

3. Sick Leave Credits. A credit for sick leave under this Article shall be allowed at the rate of one and one-quarter working days per month of service commencing as of the date of employment.

Effective January 1, 2025, Employees hired after December 31, 2002, shall accrue sick leave credit at the rate of one (1) working day per month of service. Such leave as is not used shall accumulate but not to exceed 300 days.

Prior to returning to work following three (3) or more continuous days of sick leave, employees may be required to provide a physician's certificate to the Director of Human Resources. However, medical documentation for absences of any duration may be required at the discretion of the Director of Human Resources if sick leave misuse or abuse is suspected and supported with documentation, and following consultation with a CSEA representative. In order to maintain confidentiality, the Director of Human Resources will in turn notify the Department Head

that the employee has complied with contractual obligations. In the event an employee is required to undergo a physical examination by a Town Doctor at the discretion of the Director of Human Resources before returning to work, the employee shall visit the Town Doctor and receive medical clearance prior to returning to work.

The Town agrees to contribute matching funds for the first three (3) years of employment for a CSEA Disability Income Protection Plan for employees hired after September 10, 2013, to be finalized and agreed by parties pending additional information.

4. Extended Sick Leave. An employee who has been engaged in full-time and continuous employment with the Town for at least five (5) years may receive additional sick leave with pay as may be approved by the Town Board, up to a maximum of seven (7) months, in addition to the sick leave accumulated by such employee. A leave of absence without pay without a resignation followed by reinstatement within one year shall not constitute an interruption of service.

Applications for extended sick leave will not be entertained unless the employee has exhausted all of his accrued sick leave and any other paid leave benefits such as personal leave, vacation, overtime, compensatory credits and all other accrued credits, and nothing contained elsewhere in this Agreement shall be construed to foreclose the Town from requiring the use of any such accrued leave or leave benefits prior to the consideration or grant of extended sick leave.

Employees on extended sick leave with pay pursuant to Town Board resolution shall not be entitled to accrue sick leave.

5. Notice of Absence on Sick Leave. When absence is required under this Article, the employee shall report the same to his immediate supervisor at least two hours before the starting time of his shift where possible.

6. Sick Leave Records. Accurate records of the attendance and sick leave status of each employee shall be maintained and open for his inspection.

7. Transfer of Sick Leave Credits. In case of transfer to a different department, accumulated sick leave shall be transferred with the employee and he shall receive credit in the department to which he is transferred.

8. Absence for Less than Full Day. Absences of less than a full day due to illness shall be chargeable to sick leave in one-hour increments, subject to Department Head or designee's approval.

9. Injury on the Job. When an employee is injured on the job, any time required immediately after the injury to obtain first aid or treatment by a physician shall be considered as time worked, unless he is admitted as an in-patient in a hospital.

10. Absence Due to Injury. Employees who are unable to perform the duties of their employment because of injuries received in the service of the employer, and who receive Workers' Compensation benefits shall receive a supplemental sum equal to the difference between their wages and their compensation benefits chargeable to sick leave on a pro rata basis.

11. Physical Examination. The expense of any physical examination requested by the Town shall be paid for by the Town and be performed during the employee's working hours.

12. Sick Leave Buy-back. The Town agrees that upon retirement, or the death of an employee, any accumulated unused sick leave up to a limit of 100 days can be bought back at a ratio of 1:3 (e.g., an employee with 280 days of unused sick leave may use only 100 days at a ratio of 1:3). The remainder, to a maximum of 165 days, can be applied to the employee's additional service credit for retirement as per Section 41-j of the New York State Retirement and Social Security Law.

In the alternative, employees wishing to apply accumulated unused sick leave toward either 100% or 50% (at the employees option) of the cost for continued health coverage upon retirement in lieu of a lump sum buy back may do so up to a limit of 100 days at a ratio of eighty (80) percent (maximum 80 days). Accumulated unused sick leave to be applied toward the payment for continued health coverage upon retirement is subject to all Federal and State withholding and tax requirements at the time of separation for retirement. If this option is chosen,

the up to 100 days used for payment toward continued health insurance is exhausted, and cannot be applied to the employee's service credit for retirement as per Section 41-j of the New York State Retirement and Social Security Law. However, the remainder, to a maximum of 165 days, may be applied in that matter. Employees may also elect to apply any or all accrued vacation time due upon retirement pursuant to Article 19 toward continued health coverage in the same manner.

13. Sick Leave Incentive. Effective January 1, 2020, employees who work their entire work schedule in any annual quarter (January 1 – March 31; April 1 – June 30; July 1 – September 30; October 1 – December 31) without using any sick leave or reporting late (except in the case of verified emergency) shall be awarded four (4) hours of compensation at their regular hourly rate. Sick Leave Incentive shall not be forfeited for any absence except sick leave (except for use due to snow or other emergencies), Workers' Compensation or disciplinary leave. Workers' Compensation hearings shall not be considered lost time for purposes of this incentive. **Effective January 1, 2025, Sick Leave Incentive will be eliminated.**

ARTICLE 21 - LEAVE OF ABSENCE WITH PAY

1. Leave Because of Death in Family. Leave of absence with pay of not to exceed five (5) days shall be granted to an employee in the event of death occurring in the employees' immediate family, namely, spouse, parent, child, sibling, grandchild, stepchild or stepparent who served in loco parentis. Leave of absence of not to exceed three (3) days shall be granted upon the death of an employee's grandparent, father-in-law, mother-in-law, brother-in-law, sister-in-law or any other blood relative residing in the employee's household. Leave of absence of not to exceed one (1) day shall be granted upon the death of an employee's aunt, uncle, niece, nephew or cousin. Employees may, upon prior request and approval of the Department Head in consultation with the Director of Human Resources and employee, be granted one (1) day to attend the funeral of individuals not included in the family set forth above.

(b) Upon written application in advance to the Town, a permanent employee shall be allowed time off with pay on a day when he/she is scheduled to work 12:00 a.m. to 8:00 a.m. (midnight shift) to permit him/her to take a New York State Civil Service examination for a promotional position within the employment of the Town. Such provision will not be made in the event of an emergency or major disaster over which the Town has no control.

4. Personal Leave. Effective January 1, 2025, After completion of the probationary period, permanent, full-time employees shall be allowed five (5) personal leave days each calendar year, non-cumulative, providing they meet all eligibility requirements. For employees whose probationary period is completed after January 1 of any year, personal leave entitlement for the balance of the year shall be provided on a proportionate basis: i.e., one day of personal leave for each three (3) full months of service. Any unused personal leave days shall be added at the end of each calendar year to the employee's total number of sick leave credits, but in no event shall the total of sick leave credits exceed the maximum allowed under Article 20, Section 3.

In the event the personal leave is denied, the Department Head shall set forth the reason or reasons for the denial in writing either on paper or electronically.

3. Maternity Leave. In addition to sick leave entitlement, an employee may, at their option, retain up to five (5) sick days prior to the leave without pay. An employee shall be entitled to leave without pay for maternity leave, provided that the total of leave without pay and accumulated sick leave shall not exceed twelve (12) months. An adoptive parent shall be entitled to leave without pay for a period of not more than three (3) months from the date of an adoption, provided the adopted child requires the attention of the employee.

4. Leave Because of Extended Illness. When an employee has exhausted all of his sick leave credits and is still incapacitated and unable to perform the duties of his position, he may be granted a leave of absence without pay for a period not to exceed one year.

Employees on leave of absence without pay shall not be entitled to accrue sick leave.

5. Leave for War Work. A permanent employee may, at the discretion of the Department Head and approval by the Town Board, be granted a leave of absence without pay for a period not exceeding one year to enter the service of the Federal Government in time of war. Such leave of absence may be renewed for additional periods, not exceeding one year in each instance. However, no such renewal of leave of absence without pay shall extend beyond six months after the termination of the war.

6. Education Leave for Veterans. Any veteran who is qualified to receive education or training or vocational rehabilitation under the provisions of any Federal or New York State Law, shall be granted leave of absence without pay for the period of such education, training or vocational rehabilitation. Such leave of absence shall not extend beyond a period of four years, nor beyond the period for which the veteran shall be eligible to continue the education, training or vocational rehabilitation, and it shall terminate at any time that the veteran ceases actual attendance upon the courses required by the education, training or rehabilitation program.

7. Educational Purposes. On the approval of the Department Head, permanent employees may be granted leave of absence without pay for a period of one year for the purpose of acquiring additional education and training that will increase the usefulness and efficiency of the employee in his position.

8. Employment Opportunities. Employees shall be granted a leave of absence without pay to enable such employees to serve temporarily, provisionally, for trial periods, or for periods necessary to qualify for permanent appointment to a competitive class, or another position of a higher class that requires such conditions to be met, or where an employee is offered a job on a permanent transfer, so long as said employment is with any agency of the employer.

(g) "Promotion" means the advancement of an employee to a higher class or the reassignment of an employee to a higher paying position.

(h) "Demotion" means the reassignment, not requested by the employee, of an employee from a position in one job classification to a lower paying position in the same job classification or in another job classification.

2. New Appointments. An employee appointed to a position in a class title shall be paid the "A" rate of pay established for the class as set forth in Schedule A and B.

3. Increments.

(a) The regular increment dates for employees covered by this Agreement shall be either January 1 or July 1, providing they have the required period of actual service. Employees appointed to a position shall be entitled to an adjustment of pay to the amount shown under the column "B" in Schedule A and B after nine (9) months of actual service on January 1 or July 1, as the case may be. Subsequent adjustments to the increments shown under "C" through "K" shall not be made until twelve (12) months from the date of the adjustment to the increment shown under "B", and not more frequently than annually thereafter. The adjustment to the increment shown under "D" shall be based solely on merit.

(b) Employees promoted to a position shall be entitled to their first increment following promotion after six (6) months of actual service in the new position on January 1, or July 1, as the case may be. Subsequent adjustments will be treated as provided in subparagraph (a) above.

(c) Employees voluntarily leaving Town service prior to 8/1/14, 8/1/15, or 8/1/16 shall have a sum of \$1000 added to base salary at time of separation for the year in which they leave service. (See also Article 5.)

(d) Employees who are classified as Laborer and Laborer Crew Chief, but who are represented by the Bargaining Unit, shall not be covered by this subparagraph 3 of Article 25, but shall be subject to the same increment and adjustment rules and procedures in effect for Laborers and Laborer Crew Chiefs employed in the Town's Highway Department.

(e) An employee appointed or promoted to a position in a higher job group shall receive a salary or wage rate at the increment step in the range for the higher position which

is nearest to, but not less than, the salary or wage rate paid to the employees at the time of appointment or promotion.

4. Demotions.

(a) A permanent full-time employee who accepts appointment to a position that is in a job group lower than the job group of the position in which he is serving, shall, upon appointment to the lower position, receive a salary or wage rate at the increment step in the salary or wage range in the lower job corresponding to the increment step reached in his former position.

(b) An employee who is relegated back to his previous position from a higher classification to which he was provisionally appointed because of his inability to prove to the Employer that he was able to fulfill the standards of the job, or pass a Civil Service Examination required for permanent appointment to that job, or who voluntarily relinquishes such job, shall not be considered as demoted.

5. Reinstatement.

(a) A permanent full-time employee covered by this Agreement who has been laid off and subsequently reinstated to the same job in accordance with the provisions of this Agreement shall be reinstated at the same salary or wage step he occupied at the time of the layoff.

(b) A permanent full-time employee who has resigned and is subsequently reinstated pursuant to the appropriate provisions of this Agreement to the same job shall be reinstated at the same salary or wage step he occupied at the time of resignation.

(c) An employee who is promoted temporarily or provisionally to a higher position and who is returned to his position in a lower grade shall, upon return to the lower position, receive a salary or wage rate at the increment level he would have reached had he continued to serve continuously in that position.

6. Transfers.

(a) Employees desiring to transfer to other jobs may submit an application in writing to their immediate supervisor. The application shall state the reason for the requested transfer.

(b) Any existing Town of Amherst employee who is not in a CSEA represented position and transfers to a position within the CSEA bargaining unit will not take a decrease in rate of pay from their previously held position. These employees will also transfer any and all existing accruals with them and any contribution to a medical plan will continue at the same rate that they contributed before the transfer.

7. Reallocation. Upon the reallocation of a class of positions to a higher job group, the employee or the employees serving in the reallocated positions shall receive a salary or a wage at the increment step in the higher job group that corresponds with the increment step in which they were serving in the lower group.

8. Reclassification. When an employee class title is reclassified to a higher title and job group, it shall be considered as a new position and a promotion. The salary will then be determined in accordance with the salary rule on promotions.

9. Leaves of Absence.

(a) Military Leave, pursuant to Section 243 of the Military Law, shall be deemed actual service.

(b) Other Leaves Without Pay over three months shall constitute an interruption of continuous service for computing yearly increments.

(c) FMLA. Employees shall be entitled to use FMLA according to provisions of the law.

ARTICLE 26 - JOB POSTINGS

1. Whenever an opportunity for promotion, provisional appointment or job opening occurs in other than a temporary situation in any existing job classification, or as the result of the development or establishment of a new job classification, a notice of the opening shall be posted

on all bulletin boards stating the job classification, rate of pay and the nature of the job requirements in order to qualify. The posting shall be for a period of not less than ten (10) workdays. The CSEA President shall receive a copy of all such postings.

2. During this period, employees who wish to apply for the open position, including employees on layoff, may do so. Bids shall be submitted on the appropriate "Job Bid Application" form to the Department Head in the department in which the vacant position exists. Employees should also submit copies of the completed bid form to the CSEA President and the Town's Director of Human Resources.

3. Whenever the Town announces a vacancy in a non-competitive position, employees wishing to be considered for the appointment who meet the posting qualifications and legitimate operating needs of the department shall be allowed to file an application in accordance with this Article. Appointments to higher salaried vacant positions in the non-competitive class shall be made on the basis of qualifications, requisite skills, training, education, experience and job performance (if applicable) as determined by the Department Head. In the event two or more qualified Bargaining Unit members are equally qualified as determined by the Department Head, the employee with greater seniority shall be appointed.

ARTICLE 27 – SENIORITY

Seniority means the length of an employee's continuous service with the Town of Amherst from the date of his last hire on a full-time basis for Non-competitive and Labor classes. Seniority for Competitive class positions means the length of an employee's continuous service with the Town of Amherst in the classified service from the first permanent appointment. Once per year, the employer shall post on all bulletin boards a seniority list showing the continuous service for each employee. A copy of the seniority list shall be furnished to the local union when it is posted. The seniority list will show the names, job titles and the date of hire of all employees in the unit entitled to seniority. An employee's continuous service record shall be broken by voluntary resignation, discharge for just cause and retirement. However, if an employee is rehired to work in

any capacity within one year, the break in continuous service shall be removed from his record.

ARTICLE 28 – LAYOFF

1. The employer shall forward a list of those employees being laid off to the Unit President and the CSEA Labor Relations Specialist on the same date that the notices are issued to employees.

2. Employees to be laid off will have at least fourteen (14) calendar days' notice of layoff.

3. When a permanent employee in the Competitive class is to be laid off, Section 80 and other pertinent sections of the Civil Service Law will be invoked and will govern the layoff procedure of such employee.

4. When any other employee in the Non-competitive or Labor Class is to be laid off due to a reduction in the work force, he shall be permitted to exercise his seniority right to bump or replace an employee with less seniority. Such employee may, if he so desires, bump an employee in an equal or lower job classification provided the bumping employee has greater seniority than the employee whom he bumps and the necessary qualifications.

5. Layoff in lieu of bump. In the event of a layoff, the employee may not wish to bump into a job held by a junior employee in which event he will be entitled to be processed as a layoff and placed on the preferred eligible list or on the recall list.

ARTICLE 29 – RECALL

When the work force is increased after a layoff, employees will be recalled according to seniority. Notice of recall shall be sent to the employee at his last known address by registered or certified mail. If an employee fails to respond within seven (7) days within the date of mailing of the notice of recall, he shall be considered a quit. Recall rights for an employee shall expire after a period equal to his seniority unless the employee is deemed to be a quit. Written notice of expiration of recall rights shall be sent to the employee at his last known address by registered or certified mail.

Recall rights for competitive class employees will expire in accordance with the Classified Rules of Civil Service.

Bumping, recall or transfer referred to herein is restricted to the employees in the unit.

ARTICLE 30 – DISCIPLINE

In the event that the Town, pursuant to its rights under Article 2 hereof, shall discipline any employee who is not covered by the provisions of Section 75 of the New York State Civil Service Law by suspending or discharging the employee, the CSEA representative shall be immediately notified.

Such discipline may be made the subject of a grievance under the grievance procedure of this agreement, but only if such grievance is filed within five (5) days from the date of discipline and only on the basis that no cause existed for such discipline. If it is determined that no cause for discipline existed, the Town will reinstate such employee and pay his full salary or wages, without overtime, for the lost time.

The Town of Amherst endorses the principle of Progressive Discipline prior to suspension and/or discharge of an employee; however, this section does not cover the more serious offenses such as fighting, stealing, the drinking of intoxicating beverages on the job or on Town premises, possession or use of narcotics or drugs, gambling, or insubordination, in which cases Progressive Discipline will not be required.

However, any employee who is covered by Section 75 of the New York State Civil Service Law shall be disciplined only in the manner provided for in such law. Their right of appeal shall be as prescribed in Section 76 of the New York State Civil Service Law.

ARTICLE 31 - PERSONNEL FILE

For purposes of this Article, there shall be one official personnel file maintained for each employee, and such file shall be kept in the Town Human Resources Office. Employees

shall have the opportunity to review their personnel files upon five days' written notice. The Personnel file cannot be removed from its regular place of maintenance or storage and must be reviewed in the presence of the normal custodian of such files.

The Town shall notify employees when a derogatory document relating to job performance and/or conduct on the job is about to be placed into their personnel files. Employees shall be given an opportunity to acknowledge receipt of any such document prior to it being placed in their personal files. Employees who determine that there is an item in the file in which they seek to respond may file such response. With the exception of disciplinary actions and personnel transactions, any material in the personal file of an adverse nature shall be removed from the file after eighteen (18) months upon the employee's request.

ARTICLE 32 - SAVINGS CLAUSE

If a section, sub-section, sentence, clause, phrase or portion of this Agreement is for any reason held to be invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision, and such holding will not affect the validity of the remaining portions of this Agreement.

ARTICLE 33 - IMPASSE PROCEDURE

If the Town and the Bargaining Unit are unable to reach a agreement in their negotiations in future contracts as to any matter that may arise under Article 14 of the New York State Civil Service Law, the matter or matters in dispute shall be referred to the New York State Public Employees Relations Board pursuant to Section 209 of said Article for disposition.

ARTICLE 34 - SAFE PLACE TO WORK

1. Safe Place to Work. The Town and the Department Heads will make every effort to provide employees with a safe place to work.

2. Mutual Respect. In order to maintain good order and morale, and to eliminate hostility within the Town of Amherst, departmental employees shall extend proper respect to all fellow employees while on duty.

3. The Town agrees to adhere to the Workplace Violence Act. Employees shall extend proper respect to all fellow employees while on duty.

4. Pledge Against Discrimination and Coercion. The provisions of this agreement shall be applied equally to all employees in the bargaining unit without discrimination as to age, sex, marital status, race, color, creed, physical or mental disability, national origin, political affiliation, political activity or sexual orientation. The Union shall share equally with the Town the responsibility for applying this provision of the agreement.

ARTICLE 35 – RESIDENCY

After twenty (20) years of continuous full-time service with the Town, employees may move their domiciles outside of the limits of the Town of Amherst. The distance of the new residence may not exceed a 30-mile radius (excluding Canada) of Amherst Town Hall, currently located at 5583 Main Street, Williamsville, NY.

ARTICLE 36 - GENDER CLAUSE

The provisions hereinbefore stated shall apply to all male and female employees.

ARTICLE 37 - VOLUNTARY SEPARATION INCENTIVE

The Town of Amherst shall offer a voluntary separation incentive with flexible parameters and a continuing health insurance option to CSEA employees during calendar years 2024, 2026, and 2028 with ample prior notice. The package offered in a voluntary separation incentive shall be a consistent package for all targeted employees and not vary from any contractual benefits if any are involved, and shall be finalized each offering year by a MOA between the parties.

ARTICLE 38 - FLEXIBLE HIRING PROCEDURE

The Town may use some discretion in placing new and promoted employees on the salary schedules pursuant to the following Flexible Hiring Procedure:

1. This provision applies to employees in the same job title as the new hire.
2. Any employee in the same job title with three (3) or more years of service can be no less than three (3) steps from the new hire.
3. Any employee with more than three (3) years of service who is within three (3) steps from new hire will move up one (1) step automatically regardless of any decision made in Paragraph 4 of this Procedure.
4. Any employee in the same title can petition the Review Board for equal pay to the new hire based on experience, qualifications, etc. Upon the filing of such petitions, the current employee's credentials will be reviewed by a Review Board, consisting of the Director of Human Resources, the Town Board Liaison to Human Resources, two (2) Union Reps and the Department Head where the employee is assigned.
5. Approval or disapproval of the employee's petition will be determined by a majority vote of the Review Board.
6. Employees hired under this provision are only eligible for this flexible salary placement once during their career with the Town.
7. If a new title is introduced, any current employee qualified for the new title can petition as in Paragraph 4 above.
8. Employees hired under this article shall follow Town of Amherst § 45-3 "Employees to be Town Residents" residency requirements, and current provisional rules.

ARTICLE 39 - EFFECTIVE DATE

1. Effective Date. The effective date of this Agreement shall be January 1, 2024, and the Agreement shall continue in full force and effect for a period of five years thereafter through December 31, 2028, unless extended or modified by mutual agreement of the parties. Notice of intent to change or amend the provisions of this Agreement shall be served in writing by the party desiring such change or amendment to the other party 180 days prior to said expiration date.

Shall neither party to this Agreement send a notice of intent to change or amend this Agreement as herein provided, then this Agreement shall be considered to have been automatically renewed for another year.

2. Changes. Should either party to this Agreement wish to initiate collective bargaining discussions, they shall mail in writing to the other party of this Agreement, notification not less than 180 days before the termination date of this Agreement or the termination date of the annual renewal that they wish to commence negotiations.

IN WITNESS WHEREOF, the parties have set their hands and seals this 18
