2459 Hopkins Road Wetland Mitigation Site
Town of Amherst, Erie County
05PR3845

Thank you for requesting the comments of the State Historic Preservation Office (SHPO). The SHPO has reviewed this project in accordance with Section 106 of the National Historic Preservation Act of 1966, as amended.

A review of SHPO records indicates that No Impact determinations were issued for 2190 Wehrle Drive in 2001, for 2220 Wehrle Drive in 1993 and for 2459 Hopkins Road in 2001. Therefore, it is the SHPO's opinion that project 05PR3845 will have No Effect upon historic properties in or eligible for inclusion in the State and National Registers of Historic Places.

The SHPO appreciates the opportunity to comment on this information. It should be noted that further consultation with the SHPO will be necessary if there are any changes to the project. Please telephone me at ext. 3280 with any questions you may have. Please also refer to the PR# above in any future correspondences for this project.

Sincerely,
