Refer to accompanying map to determine if you are in a proposed treatment zone.

Persons have a right to request not to have their dwelling, multiple dwelling structure, building or structure other than a dwelling, and their property be subject to the pesticide application.

Contact the Highway Department for more information.

If you have questions concerning the symptoms of pesticide poisoning, call the National Pesticide Information Center HOT LINE at 1-800-858-7378 or the Upstate New York Poison Control Center at 1-800-222-1222. If you have questions regarding pesticide regulations, contact the Buffalo Office of the New York State Department of Environmental Conservation Bureau of Pesticide Management, 700 Delaware Ave., Buffalo, NY 14209, at 716-851-7220.

Labels and safety data sheets are available at the AMHERST HIGHWAY DEPARTMENT.

Additional information on the Mosquito Control Division is available in the Highway Department section at www.amherst.ny.us
