

Pre-School And Child Care Directory

2011

Prepared by:

**Town of Amherst Youth and Recreation Dept
North Town Center at Amherst
1615 Amherst Manor Dr
Amherst, NY 14221**

The Amherst Youth and Recreation Dept. has provided this directory as an information-only service to Amherst residents. The Youth and Recreation Dept does not advocate for or in any way certify these programs. We encourage all parents to thoroughly research their options in regards to quality childcare, and make informed decisions about placement. If we can be of any assistance to you whatsoever, please contact our offices at 631-7132

Suggestions from the Federal Government's Office of Personnel Management on how to choose a child care provider:

Call the Provider: Tell the person answering the phone your name and age of the child needing care. Ask if he or she has time to answer a few questions. If not, ask when it would be a good time to call back.

1. Do you have any openings? If not, do you anticipate having openings in the near future?
2. Is the center licensed? By whom?
3. What is the cost per week? What does this include? (E.g., snacks, meals, diapers)
4. Are there extra costs?
5. Is there transportation available? To and from what locations?
6. What days and hours is care available?
7. Does the center close for vacations, holidays, staff training, or other reasons?
8. Is there sick care available? What are the policies regarding sick children?
9. How many children in each group?
10. How many caregivers for each group?
11. What is the total number of caregivers in the center?
12. How many caregivers have left the center in the past year?
13. What are the education and training requirements for the caregivers?
14. What are the meals served?
15. Is there a safe outside play area?
16. What are some sample activities that my child would be involved in?
17. How does the center communicate the curriculum to the parents?
18. Is there a weekly and/or daily written plan available to parents?
19. Does the center provide written policies?
20. Are parents permitted to visit their children unannounced at any time of the day?

Add other questions you may have. If the basic information sounds like it will meet your needs, ask when you can visit.

Visit and Ask Questions: How does it LOOK?

1. Is it clean, colorful, and in good repair?
2. Is there a safe outside place to play?
3. Is it "child proof"?
 - ❖ Medicines and cleaning supplies are out of reach.
 - ❖ The fire evacuation plan is satisfactory.
 - ❖ Electrical outlets are covered or above children's reach.
4. Are there different areas for each activity and are you satisfied with the amount of space for each?
5. Are there at least 35 square feet per child of usable playroom floor space inside and at least 75 square feet per child of outside play space?
6. Are there sufficient numbers and a variety of toys that will appeal to your child and that are in good condition?
7. Are the meals nutritious? Do they include foods your child will eat? (Ask to see a weekly menu.)

How does it SOUND?

1. Do the children's voices sound happy and are they at a reasonable noise level?
2. Are the caregivers' voices calm and caring?
3. Is there children's music or singing at some time during the day?

The STAFF:

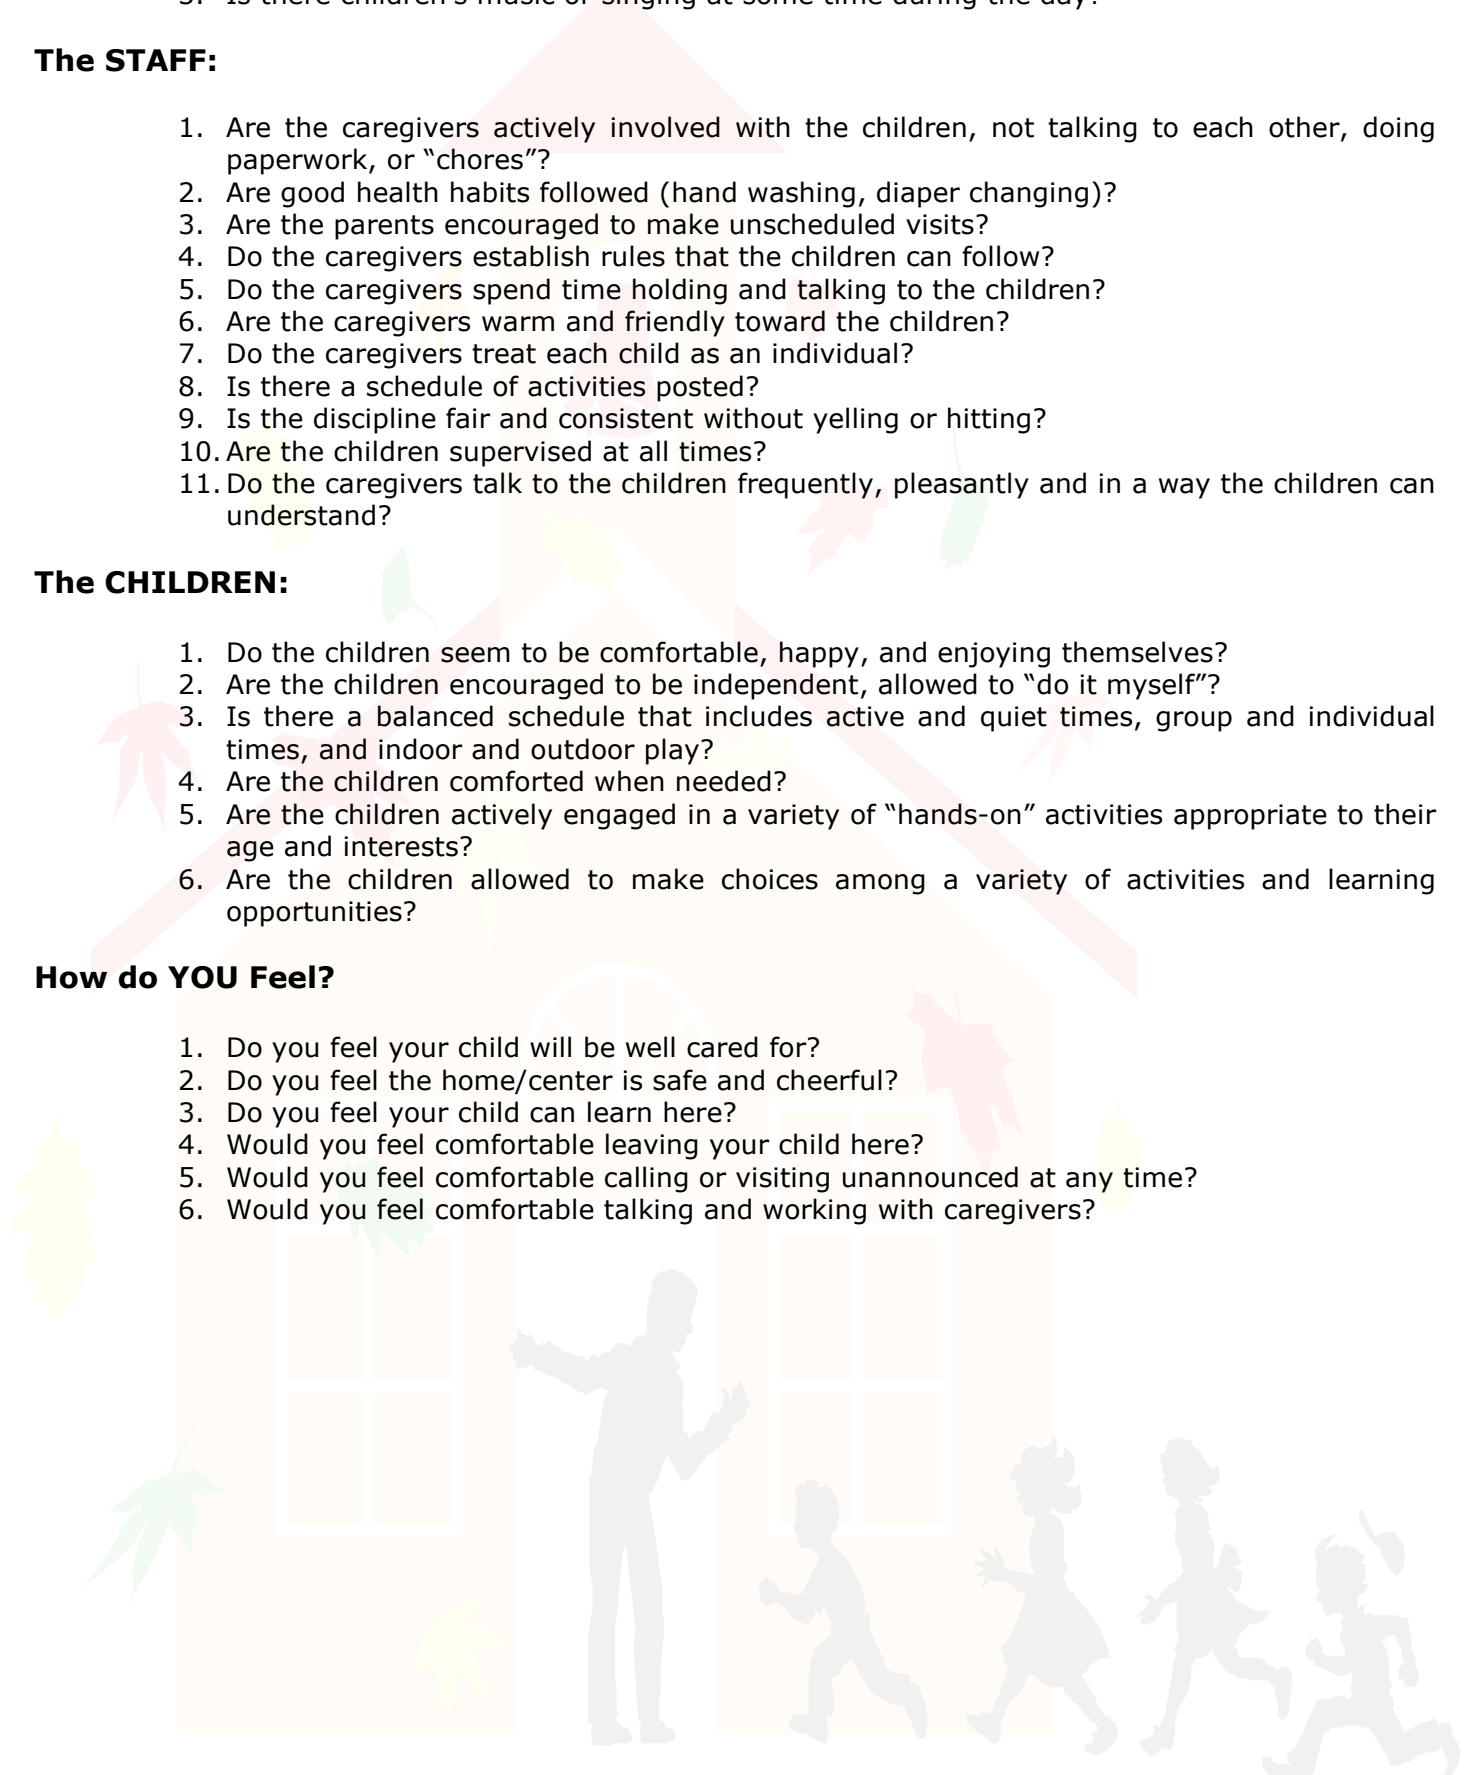

1. Are the caregivers actively involved with the children, not talking to each other, doing paperwork, or "chores"?
2. Are good health habits followed (hand washing, diaper changing)?
3. Are the parents encouraged to make unscheduled visits?
4. Do the caregivers establish rules that the children can follow?
5. Do the caregivers spend time holding and talking to the children?
6. Are the caregivers warm and friendly toward the children?
7. Do the caregivers treat each child as an individual?
8. Is there a schedule of activities posted?
9. Is the discipline fair and consistent without yelling or hitting?
10. Are the children supervised at all times?
11. Do the caregivers talk to the children frequently, pleasantly and in a way the children can understand?

The CHILDREN:

1. Do the children seem to be comfortable, happy, and enjoying themselves?
2. Are the children encouraged to be independent, allowed to "do it myself"?
3. Is there a balanced schedule that includes active and quiet times, group and individual times, and indoor and outdoor play?
4. Are the children comforted when needed?
5. Are the children actively engaged in a variety of "hands-on" activities appropriate to their age and interests?
6. Are the children allowed to make choices among a variety of activities and learning opportunities?

How do YOU Feel?

1. Do you feel your child will be well cared for?
2. Do you feel the home/center is safe and cheerful?
3. Do you feel your child can learn here?
4. Would you feel comfortable leaving your child here?
5. Would you feel comfortable calling or visiting unannounced at any time?
6. Would you feel comfortable talking and working with caregivers?
